

Participate in our College Fair

Sponsored by the Western Regional Council

The College Fair is a great opportunity to have all participants—especially school counselors, teachers, and administrators—stop by your table to learn more about your institution. Space is limited and available on a first-come, first-served basis, so sign up now! The College Fair will be held Saturday, February 27, 2010 from 5:30 to 6:30 p.m.

Deadline for participation: February 12, 2010

There is no charge for the College Fair for those institutions registered for the forum. For those institutions that wish to participate and are not registered, there will be a \$50 fee to cover the cost of the table.

Representatives of colleges and universities
who would like to participate need to reserve a table
by returning this registration form to:
